API of plant origin - made in Germany

As already informed in the previous issue of our Company Information, Paninkret is now about to offer a well chosen range of **Active Pharmaceutical Ingredients of plant origin** on the market besides our established plant and animal products. The following qualities belong to our current API-portfolio which are available upon request as dried extracts or freshplant pressjuice powders:

- ♦ **Artichoke** *Cynara scolymus L., Asteraceae*
- ♦ **Devil's Claw** *Harpagophytum procumbens oder zeyheri*
- ♦ **Echinacea** *Echinacea purpurea*
- ♦ **Passionflower** *Passiflora incarnata L.*
- ♦ **Dandelion** *Taraxacum officinale (Asteraceae)*
- ♦ **Greentea** *Camellia sinensis L., Theaceae*
- ♦ **Birch** *Betula pendula, Betula pubescens*

All of these products are entirely produced in Germany by our long-term production partners according to **Good Manufacturing Practice** on an exclusive base.

Honored by the Chamber of Industry and Commerce

As every year, the branch Elmshorn of the Chamber of Industry and Commerce honored the best examinees of the administrative district of Pinneberg and Steinburg for their final examinations (Winter 2014/2015) in their recognized occupation requiring formal training. Also this year it was a pleasure for us to accompany one of our trainees to the official event as one of the best examinees.

Assembly member of the Chamber of Industry and Commerce, Mr Jan-Henrik Fock, presented our former trainee Ms Dorle Wöbken with a small present and the certificate due to her excellent achievement in the final examination of the merchants of wholesale and foreign trade, specialized in foreign trade.

Paninkret continues this successful way and will still afford young people a dual apprenticeship in future.
